The Anderson Mill Road and RM 620 Right-of-Way Annexation Area (approximately 41 acres) is located in Williamson and Travis Counties. This area includes portions of Anderson Mill Road right-of-way west of the intersection of Anderson Mill Road and US 183 and east of the intersection of Anderson Mill Road and RM 620. RM 620 right-of-way north of the intersection of Anderson Mill Road and RM 620 along the north and west side of Anderson Mill MUD is also included in this area. This annexation will bring these roads into the full purpose city limits at the same time that the adjacent properties are annexed into the city's full purpose jurisdiction. Annexation of these roads will help ensure appropriate emergency dispatch and increase efficiency in the delivery of public safety services to this area.
